I wish to thank everyone who has sent me info on my Davis line. On my Fathers line. They intermarry with families have already done so may have to go to other family books for info.

I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

HUSBAND - Joseph Fanning

*Find A Grave listed info on Joseph Fanning. Residence born 1766 in what was then the Carolina Colony, later NC. Grew up in southwest VA. Land located on Chestnut Creek which is a branch of the New River and is now situated in Carroll Co. Va. After marriage to Barbara Davis settled in Wythe Co. VA for 20 years. Then to Giles Co. TN. around 1810 to settle on Congressional Land. Congressional Land was an area that had been especially set aside for various American Indian tribes by the United States Congress. During 1818 the Fannings began migration into what was then Madison Co., IL with the area becoming a part of Morgan Co. IL The area of their settlement became known as Fannings Point. 1824 Joseph moved the rest of the family into that area.

They did not like the cold winters so Joseph moved the family into Carroll Co. AR abt 1825. 1827 Joseph returned to Morgan Co. IL and was elected as the county's first Constable. Then from 1830 until Aug 1839 he served the area as Justice of the Peace and as such he inherited the title of "Esquire Fanning". Late 1830's Joseph and several Fanning family returned to Madison and Carroll Co. Ark. Death Listed as 1849 age 82-83 Arkansas. Burial Rockhouse cem, Rockhouse, Madison co. ARK. Pic of his grave marker. He listed parents, 2 siblings 2 wives and 16 children. (copy)

Name also been written as Fannon, but internet from John & Mary Davis site listed their name as Fanning and listed all their 13 children as that.

*FamilySearch doesn't list place of birth or death but the dates. Joseph d. aft 1849, one source said Montgomery Co. AR, and another said Carroll Co, AR, Parker cem. Barbara died abt 1817 or 1820, no place shown.

Abstracts of Court Records, Wythe Co. VA 1790-1791- 1795-1810 Listed several notations for a Joseph Fanning. Could be this Joseph or son his theirs, not sure which refers to which Joseph at this time. But thought would list the info here. Vol 1

HUSBAND - Joseph Fanning (Continued)

Joseph listed 9 children in one place and other listed 14 born 1791-1824? If Joseph md 2nd which was never mentioned but Barbara died 1818 they said and he had children 1821-1824

These dates appear to maybe be right so will use them from Find A Grave, if other research shows different dates will have to do more research. All these children are listed in Joseph's FAG site. Copy of all children and Joseph and Barbara and Mary.

*FamilySearch site listed Parents of both Barbara Davis Fanning and Joseph Fanning Sr. and their dates. Barbara Davis listed 1774-1817 and Joseph Fanning Sr. 1766-1849. (their dates different then other sources). John Davis Sr. 1725-1796 and md 1754 Mary Hutsell 1741-1796.

Joseph's parents: John Jehu Fanning Sr. 1737-1813 md Elizabeth Ann Lipps 1756 Amelia, VA, b- 1744- d.1767. Listed 11 children for Joseph and Barbara and dates. (copy)

Internet site on John & Mary Davis listed Barbara b ca 1768 d. abt 1820 prob. Virginia.

Married to Joseph Fanning 1790 Montgomery Co. VA and listed 13 children for them. Name was also listed as Fannon in other sources. WikiTree site of John Davis 1737-1796 listed son in laws as Samuel Wisely, Joseph Tanner and John Tanner (others said name Fanning)

*FIND A GRAVE internet site listed birth and death dates , spouse, children and dates. Will use this as base to go from. " Listed parents were John Sr and Mary Davis of Wythe Co. VA. This Davis family was lutheran of German descent and the original surname was something that sounded close to Davis when said in German to English scribes. Mother of 10 known children: Robert, George, Joseph Jr, Abraham, Jacob, Mary Walker, Delillah Houston, Sampson, Davis and Andrew Jackson Fanning.

In the fall of 1819 son Sampson age 11 was allowed to move to IL from AL by his older brothers George & Joseph Jr, against the wishes of their father, Joseph Sr. Apparently Sampson did not like his new stepmother. barbara's known siblings: George, Joseph, John Jr, Jacob and Abraham Davis, Betsy Hutsell, Eve Wisely, Elizabeth Hutsell and Mary Fanning, Married Joseph "Fannon" on 8 Apr 1821 Lauderdale Co. AL. Barbara named her older sons after each of her brothers except John as Joseph Sr. already had a son named John bc Jun 1789-May 1790 per censuses and it is unknown who Robert was named for since no Robert has been identified in either the Fanning or Davis family."

CHILD 1 - John Fanning

*Find A Grave of father listed his birth as 13 May 1791 Wythe Co. VA and died 13 sep 1861.

His Find A Grave gave a lot of info on John and wife 1st one md 1811 Sarah E. Frazer b NC, no record but listed mg as 1811 and 10 children.

Other wife listed as Elizabeth Skiles and they had b. 1795 and also said md 1811. and listed 7 children.. Much more on this John . (copy)

" One mention please consider linking John with his father, Joseph Fanning Sr. FAG# 88522458. This per YDNA results as Joseph Sr. had a mutation that was handed down to all of his male descendants and sets his male descendants as does Robert Fanning b 1812 TN, died in Morgan Co. IL. Current thinking is that Robert was also a son of this John per the Morgan Co. history that at age 12 Robert walked with his parents from TN to IL. Since George and Rebecca were in IL from 1818 along with Georges brother Joseph Jr they could not have been Roberts parents. By elimination, that leaves only this John to be Robert's father. Also in one of the history books, it states that Robert went to AR briefly but returned to Morgan Co. IL. And if you look at Joseph Sr on FAG his family data listed there contains some outdated info along with omissions and errors. Personally do not believe that Joseph Sr. is buried in Rockhouse cem, since Joseph Sr' wife Mary and their known 5 children along with son Andrew and his family were in Franklin Co. AR, in 1850 Joseph apparently had at least 16 children by 2 or 3 wives. Thank you. Judie" (copy)

Family Search listed his death as 1814 and his marriage as 1836 so one of those dates are wrong????? Family Search listed he was md to Mary Elizabeth McCurley md 24 Mar 18?? She was born 1815 d. 1910. no mention of children. (copy)

CHILD 3 - George Washington Fanning PVT

*Find A Grave site of George Washington Fanning Sr. birth 1793 Wythe Co. VA, died 25 Nov 1867 age 73-74 Morgan Co. IL Davis Cemetery (fathers FAG site said died Tenn. Md Rebeca Keltner.)

He had a pic of his large grave marker and pic of one close up so you could read it. Age 76 on the marker. In Memory of Geo Washington died 25 Nov 1867 aged 76 years.

His wife was Rebecca Keltner 1785-1881. He listed 12 children and dates. Listed parents and 5 siblings and 10 half siblings.

Served in War of 1812 as a volunteer with the West Tenn Mounted Gunmen. Dispatched to Florida due to an Indian problem. Then ordered to new Orleans and became mired in quicksand with their horses in Florida. The men ate the inside of the bark of trees until they finally were able to get free of the quicksand. They rested for more than a week as both the horses and men were near death. When they arrived on the east side of the Mississippi River across from neworleans, they were told to halt. they heard the cannon fire that ended the Battle of new Orleans and the War of 1812. They were decommissioned in Mississippi and had to find their own way back home to Giles co. Tn. This per Widow Pension papers. Wife Rebecca Keltner Fanning's birthdate is believed by Keltner researchers to have been 1 Jan 1794. Leiv Fanning's birth years is believed to have been 1809. Per YDNA, Levi was actually a stepson of George. Birth dates of the older children are in the National Archives in the Widow Pension papers. George W. Jr May 10 1813, John Keltner 18 Nov 1816, Joseph Davis 17 Mar 1818, Henry L. 29 Aug 1819, Ephraim 14 Apr 1821 and Samuel A. 25 Nov 1822. (copy)

10 children were listed for George and Rebecca but birth dates are suspicious I think.

Internet site of John & Mary Davis listed George md (2) which usually means 2nd wife but all children listed for them but my thought is he was md 1st by 1713 and maybe 2nd after 1816? But will list all children here as way it is for now. Copied all the children that was in Find A Grave for George and Rebecca which was 10 children and Levi Wesley Fanning b. 1806 was listed but suppose to be stepchild to George. (copy)

George and Rebecca appears to have children born from 1813 thru 1840 if they are correct???

All of them did not appear in Find A Grave site of George and Rebecca however. (copy)

Mary Caroline Grimsley obit listed her 7 children all living at her death 1911 but in obit there are 8 if Mrs Ida Peak of CO is a dau as she waws not listed below and that would be 8 children.

Mary was stated she was the youngest of 23 children of George and Rebecca Keltner Fanning also. But according to George's children she wasn't the youngest of 23.

CHILD 5 - Abraham Fanning

Was said he was born in Tennessee where all other children born in Wythe Co. VA.

One source said he b 1797 md and had 7 children.

FamilySearch listed his birth as 1796.

CHILD 6 - Joseph Fanning Jr

FamilySearch site listed Joseph birth 1795 where other sites listed 1798. Md 1st Mary Polly Brown 1819 and md 2nd Susan Nichols 12 Dec 1830 (from other source).

This was Widow Fanning papers. Wife Rebecca Ketter Fanning's birth date is believed by Ketter researchers to have been 1 Jan 1784. Last Fanning's birth year is believed to have been 1808. Per YDNA, now was actually a stepson of George. Birth dates of the other children are in the National Archives in the Widow Fanning papers. George W. 3 May 1813, John Ketter 18 Nov 1816, Joseph Davis 17 Mar 1818, Henry L. 29 Aug 1818, William 14 Apr 1821 and Samuel A. 25 Nov 1822. (copy) 10 children were listed for George and Rebecca but birth dates are suspicious I think. Infant site of John & Mary Davis listed George mtd (?) which usually means 2nd wife but all children listed for them but my thought is he was mtd 1772 and maybe 2nd wife 1815? But what all children have as way it is for now. Consider all the children that was in First A Grave for George and Rebecca which was 10 children and last Wesley Fanning b. 1808 was listed but suppose to be suspicious to George. (copy) George and Rebecca appears to have children from 1817 thru 1840 if they are correct?? All of them did not appear in First A Grave site of George and Rebecca however. (copy) Mary Caroline Christy-Clark listed her 7 children as living at her death 1811 but in fact there are 8 if the last part of CO is a date as she was not listed below and that would be 8 children. Mary was stated she was the youngest of 13 children of George and Rebecca Ketter Fanning also. But according to George's children she was the youngest of 23.

Barbara Davis Fanning

BIRTH 1774
 Virginia, USA
DEATH 1818 (aged 43–44)
 Lauderdale County, Alabama, USA
BURIAL Unknown
MEMORIAL ID 149478464 · View Source

Born c1774 VA and died 1817/1818 Lauderdale Co., AL. Parents were John Sr. and Mary Davis of Wythe Co., VA. This Davis family was Lutheran of German descent and the original surname was something that sounded close to Davis when said in German to English scribes. Mother of 10 known children: Robert, George, Joseph Jr., Abraham, Jacob, Mary Walker, Delilah Houston, Sampson, Davis and Andrew Jackson Fanning. In the Fall of 1819, son Sampson, age 11, was allowed to move to IL from AL by his older brothers George and Joseph Jr, against the wishes of their father, Joseph Sr. Apparently Sampson did not like his new stepmother. Barbara's known siblings: George, Joseph, John Jr, Jacob and Abraham Davis, Betsy Hutsell, Eve Wisely, Elizabeth Hutsell and Mary Fanning. Married Joseph "Fannon" on 4/8/1790, Montgomery Co., VA. This is the only known recorded marriage in the Joseph Fanning Sr line until the marriage of Mary Fanning/David P. Walker on 12/8/1821, Lauderdale Co., AL. Barbara named her older sons after each of her brothers except John as Joseph Sr already had a son named John (bc 6/1789-5/1790 per censuses) and it is unknown who Robert was named for since no Robert has been identified in either the Fanning or Davis family.

Notes

HUSBAND - John Fanning

*Find A Grave of father listed his birth as 13 May 1791 Wythe Co. VA and died 13 sep 1861.

His Find A Grave gave a lot of info on John and wife 1st one md 1811 Sarah E. Frazer b NC, no record but listed mg as 1811 and 10 children.

Other wife listed as Elizabeth Skiles and they had b. 1795 and also said md 1811. and listed 7 children.. Much more on this John . (copy)

" One mention please consider linking John with his father, Joseph Fanning Sr. FAG# 88522458. This per YDNA results as Joseph Sr. had a mutation that was handed down to all of his male descendants and sets his male descendants as does Robert Fanning b 1812 TN, died in Morgan Co. IL. Current thinking is that Robert was also a son of this John per the Morgan Co. history that at age 12 Robert walked with his parents from TN to IL. Since George and Rebecca were in IL from 1818 along with Georges brother Joseph Jr they could not have been Roberts parents. By elimination, that leaves only this John to be Robert's father, Also in one of the history books, it states that Robert went to AR briefly but returned to Morgan Co. IL. And if you look at Joseph Sr on FAG his family data listed there contains some outdated info along with omissions and errors. Personally do not believe that Joseph Sr. is buried in Rockhouse cem, since Joseph Sr' wife Mary and their known 5 children along with son Andrew and his family were in Franklin Co. AR, in 1850 Joseph apparently had at least 16 children by 2 or 3 wives. Thank you. Judie" (copy)

Notes HUSBAND - John FANNING-2233 I don't understand this info on the children from the internet site of John & Mary Davis as the children from the 2nd marriage are many the same dates as from the 1st marriage. I think there must be a mistake here with children and cetrainly need to do more research to find out what is going on here. Only possible answer is he was Mormon and had 2 wives at the same time?????

John Fanning and family came to the Arkansas Northwest Territory before it became a state. He is found on the Tax list and State Census as early as 1836.

1791 born Virginia

abt 1812 married Sarah E. Frazier/Frazer born North Carolina no record

1820 Lawrence, Tennessee US Federal Census John Fanning abt 24, Sarah abt 23, 3 males under 5 this would be Robert, Taylor, possibly Washington who died abt 1847 Shelby County, Illinois. Previously thought it was John Snoddy, but he has been established as born after 1820 abt 1822

1830 Morgan, Illinois John and Sarah 2 Adults 7 children

[This is not to be confused with the John Fanning from Virginia that married Barbara Davis. He and his 2nd wife are on the 1830 Morgan County, Illinois Census also, with 2 adults and 8 children.] same page

They were in Madison County Arkansas for the beginning of the State Censuses 1836-1839.

1840 Madison County, Arkansas 1st Federal Census. John 49, Sarah 45, John S 21, Tom 17, Abe 15, Nancy 12, Polly 8, Sarah 6 =8

1850 Madison County, Arkansas Census John, Sarah, and youngest daughter Sarah age 16, are living with Abraham (Abram) and Rhoda Fanning and family.

John has passed away by the 1860 census

Please consider linking John with his father, Joseph Fanning Sr, FAG # 88522458. This per ydna results as Joseph Sr had a mutation that was handed down to all of his male descendants and sets his male descendants apart from all his brothers male descendants. Male descendants of this John also have this same mutation as does Robert Fanning, b1812 TN, died in Morgan Co., IL Current thinking is that Robert was also a son of this John per the Morgan County History that at age 12, Robert walked with his parents from TN to IL. Since George and Rebecca were in IL from 1818 along with George's brother Joseph Jr, they could not have been Robert's parents. By elimination, that leaves only this John to be Robert's father. Also, in one of the history books, it states that Robert went to AR briefly but returned to Morgan Co., IL. And if you look at Joseph Sr on FAG, his family data listed there contains some outdated info along with omissions and errors. Personally do not believe that Joseph Sr is buried in Rockhouse Cem. since Joseph Sr's wife Mary and their known 5 children along with son Andrew and his family were in Franklin Co., AR, in 1850. Joseph apparently had at least 16 children by 2 or 3 wives. Thank you. Judie

 Please consider linking John with his father Joseph Fanning Sr. b 1723-1788. This provides results as Joseph Sr. had a mutation that was handed down to all of his male descendants and also his male descendants from all his brothers male descendants. Male descendants of the John line have this same mutation as does Robert Fanning b 1813 TN, died in Morgan Co., IL. Current thinking is that Robert was also a son of the John line five Morgan County history that at age 12 Robert worked with his parents from TN to IL. Since George and Rebecca were in IL from 1816 along with George's brother Joseph Jr., they could not have been Robert's parents. By elimination, that leaves only this John to be Robert's father. Also, in one of the Henry books, it states that Robert went to AR directly but married to Morgan Co., IL. And if you look at Joseph Sr. on FHC, his family data listed there contains some outdated info along with omissions and errors. Personally do not believe that Joseph Sr. is buried in Rockhouse Cem. problem. Then ordered to new Orleans and became mired in quicksand with their horses in Florida. The men ate the inside of the bark of trees until they finally were able to get free of the quicksand. They rested for more than a week as both the horses and men were near death. When they arrived on the east side of the Mississippi River across from New Orleans, they were told to halt. They heard the cannon fire that ended the Battle of New Orleans and the War of 1812. They were decommissioned in Mississippi and had to find their own way back home to Giles Co. TN. This per Widow Pension papers. Wife Rebecca Keltner Fanning's birthdate is believed by Keltner researchers to have been 1 Jan 1794. Levi Fanning's birth year is believed to have been 1809. Per YDNA, Levi was actually a stepson of George. Birth dates of the older children are in the National Archives in the Widow Pension papers. George W. Jr May 10 1813, John Keltner 18 Nov 1816, Joseph Davis 17 Mar 1818, Henry L. 29 Aug 1819, Ephraim 14 Apr 1821 and Samuel A. 25 Nov 1822. (copy)

10 children were listed for George and Rebecca but birth dates are suspicious I think.

Internet site of John & Mary Davis listed George md (2) which usually means 2nd wife but all children listed for them but my thought is he was md 1st by 1713 and maybe 2nd after 1816? But will list all children here as way it is for now. Copied all the children that was in Find A Grave for George and Rebecca which was 10 children and Levi Wesley Fanning b. 1806 was listed but suppose to be stepchild to George. (copy)

George and Rebecca appears to have children born from 1813 thru 1840 if they are correct???

All of them did not appear in Find A Grave site of George and Rebecca however. (copy)

Mary Caroline Grimsley obit listed her 7 children all living at her death 1911 but in obit there are 8 if Mrs Ida Peak of CO is a dau as she was not listed below and that would be 8 children.

Mary was stated she was the youngest of 23 children of George and Rebecca Keltner Fanning also. But according to George's children she wasn't the youngest of 23.

age 76 Yr.

Served in the War of 1812 as a volunteer with the West Tennessee Mounted Gunmen. Dispatched to Florida due to an Indian problem. Then ordered to New Orleans and became mired in quicksand with their horses in Florida. The men ate the inside of the bark of trees until they finally were able to get free of the quicksand. They rested for more than a week as both the horses and men were near death. When they arrived at the east side of the Mississippi River across from New Orleans, they were told to halt. They heard the cannon fire that ended the Battle of New Orleans and the War of 1812. They were decommissioned in Mississippi and had to find their own way back home to Giles Co., TN. This per Widow Pension papers. Wife Rebecca Keltner Fanning's birthdate is believed by Keltner researchers to have been 1/1/1794. Levi Fanning's birth year is believed to have been 1809. Per YDNA, Levi was actually a stepson of George.

Birth dates of the older children are in the National Archives in the Widow Pension papers: George W. Jr (10/5/1813), John Keltner (11/18/1816), Joseph Davis (3/17/1818), Henry L. (8/29/1819), Ephraim (4/14/1821) and Samuel A. (11/25/1822).

Married Mrs Nancy Thompson Galloway on 7/14/1822, Lawrence Co., TN. A blacksmith and farmer by trade. In 1824, Abraham and brother Jacob led a large group of relatives, neighbors and friends from the TN/AL border area to Morgan Co., IL, to join their brothers George W. Sr., Joseph Jr and Sampson. Relatives making the trek included their siblings, John (Sarah Frazier), Mary (David P.) Walker and Delilah (Robert) Houston, but did NOT include their father, Joseph Fanning Sr, as he had removed from Lauderdale Co., AL, to NW AR c1822, where he resided on Whartons Creek with Joshua Wharton. Joseph Sr. moved to IL c1826 and then back to NW AR in the mid 1830's. See 1850 Franklin Co., AR, census for birth years and birthplaces of his 6 younger children. The Fannings went to Morgan Co., IL, because of Solomon Keltner, George Wash. Fanning, Sr's brother-in-law, who had gone to IL in 1817/1818 and returned to TN in 1819 to encourage others to move to IL.

Matched Mrs Nancy Thompson Galloway on 7/14/1833, Lawrence Co., TN. A blacksmith and farmer by trade, in 1828, Abraham and brother Jacob had a large group of relatives, neighbors and friends from the TN-KL border area to Morgan Co., IL, to join their brothers George W. Sr., Joseph Jr. and Simpson. Relatives making the trek included their siblings, John (born Fanning, Mary (David P.) Baker and Delilah (Robert) Houston, but did NOT include their father, Joseph Fanning, as he had removed from Lawrence Co., AL, to NW AR c1823, where he resided on Whittens Creek with Joshua Whittens. Joseph Sr. moved to IL c1825 and then back to NW AR in the mid 1840's. Son, 1850 Franklin Co., AR, comes for birth years and birthplace of his 5 younger children. The Fannings went to Morgan Co., IL, because of Solomon Baker, George W. Fanning Sr.'s brother-in-law, who had gone to IL in 1813/1815 and returned to TN in 1815 to encourage others to move to IL.

Spouse: Robert Houston 1785-1866 and father Joseph Fanning 1766-1849. 15 sibings listed with dates and 9 children with info. Mem # 88522355 (copy)

*FamilySearch site listed Delila born 1815 d. 1850 md 1822 Robert Houston Alabama. Birth maybe right of 1804 because that fits the right place in family and if md 1822 age would be right.

Another Delilah Fanning b abt 1815 d. 1850 and md 13 Feb 1840 Morgan Co. IL to William A. Gibson and may be same person as 1st Delila who md Robert Houston Although they usually don't have 2 people the same name if 1st had lived.

Other research listed her birth as 1804 and died bef 1815 (so appears this could be wrong dates. Also died 1959. Need more info on this family to get dates right.

Again this Delilah 1804-1850 or d. bef 1815 could be first Delilah and 2nd Delilah md William A. Gibson 1840 and Robert Houston 1822. Certainly need to work on this family.

CHILD 7 - George Washington Houston

His birth could be 1837 or 1842, not sure which.

According to Jessie Easley Palmer, Jessie Easley's daughter, Docia was living with her son, Jessie, in Dublin when she died about 1885. She was buried in an unmarked grave next to Jessie.

Docia Fanning married William Easley Nov. 24, 1849 in Washington county, Arkansas. (Marriage Book A-178) It is believed that Fanning was not her maiden name but the name of her divorced husband.

William Easley was a member of the Shiloh Primitive Baptist Church. In November 1849 "by request", the church agreed to release brother William Easley as their church clerk. In the following February 1850, "the church agree to take up a charge against Bro. Wm. Easley for marrying a divorced woman. The church agree to withdraw the hand of fellowship from Bro. Wm.
